Based on an inspection this summer it was been determined that \$3,000 dollars would be required to reclaim your pit. It also is required that the following items be sent to us so we will be able to accept your \$500.00 bond.

- 1) BLM Form 3809-2 completed
- 2) Deposit showing transaction # and date
- 3) BLM acceptance letter

You need to get this information from the BLM field office Jerry Mansfield 435-743-3125 or Opie Abeyta at the BLM SLC office 801-539-4123 and transmit it to Beth Eriksen at 801-538-5318(P) 801-359-3940(F).

Please make arrangements through Beth to increase your bond to \$3,000.
My phone number is 801-538-5321, if you have any questions.

Tom,

Yes the bond is with the BLM, see attachment, this slipped my memory this summer and my hard drive crashed in September and the recovery was long and hard. The final notice got my attention back on the subject. Let me know if you need more information. The original discovery cut has been completely reclaimed.

Bill
